

AppE-Siting Boundaries

- A. North boundary: S 19th St
 - Further north and we're closer to Federal Way LSO and heavier traffic and congestion.
- B. South boundary: 112th St S
 - Further south and we're closer to Parkland LSO.
- C. West boundary: Grandview DR W
 - Best expansion route for balance when compared to other LSOs is further west.
- D. East boundary: Highway 7
 - Further east and it would bring the office closer to Parkland, Puyallup, and Federal Way.
